PS15-I	SELF POWERED Vented Bass 15" Black Painted Installation Enclosure with Fly Points	\$ 950	\$ 808

NON PROCESSED POWERED SUBS are available and useful in larger systems. For example, the PS18E-I is a powered but not internally INFRA processed system. In larger systems of 4 or more powered subwoofers, it is economical to drive the powered subwoofers with a line level Infra processed signal from a rack mounted INFRA-MXB processor. Subwoofers do not come standard with fly points. See Accessories on page 4 for fly point options and cost.

INFRA SERIES MODEL KEY

IP = INFRA Processed and Self Powered
 P = Self Powered

E = Extended Low Bass

R = Road Version
 I = Install Version
 IY = Install Version with Yoke Included
 B = Walnut Oiled Birch Finish
 DA or AD = Low Profile

D = Dual
 S = Single

12 = Driver Size

SUBWOOFERS DO NOT COME STANDARD WITH FLY POINTS. To order fly points on subwoofers add F2, F4, F6, or F8 to the end of the model number. For example: To add 4 fly points to the S18E-1 you would add an F4 to the end of the model number so it becomes S18E-1F4. See accessories above for additional cost.

TERMS: All domestic orders are shipped C.O.D. All international orders are shipped prepaid and freight collect. Drop shipments are subject to BAG END approval and state tax requirements. All orders are subject to acceptance by Bag End.

PAYMENT: Payments accepted are Visa, Mastercard, American Express, Discover, COD and Wire Transfer.

DELIVERY: Reports of discrepancy and/or damage in shipment must be made within 7 days upon receipt of merchandise.

REPAIR AND RETURNS: All returns require a Return Authorization (RA) number. Returns for credit or exchange are subject to a 20% restocking fee. Please call 847-658-8888 for an RA number.

Terms, prices and specifications are subject to change without notice.
