

Tiger

Tiger Series

- Every aspect of the Tiger Series is thoroughly designed specifically for the Chinese KTV market featuring 10-inch, 12-inch and 15-inch models. 15mm Baltic Birch plywood precisely jointed is used throughout the enclosure. Our innovative arc vented air duct design offering superior output and lower distortion.
- Tigers deliver bright out front vocals and powerful musical coverage with an elegant cabinet appearance, making them the ideal choice for high-end entertainment venues.
- Highly recommended uses include: KTV/ Nightclub/ Bar/ Cinema/ Auditorium/ Church/ Restaurant/ Commercial /Corporate AV

TIGER PARTY-12

TIGER PARTY-15

TIGER PARTY

TECHNICAL PARAMETERS TIGER PARTY-12

Type	Two-way full-range speaker
Drivers	12" (75mm) Bass 1" (44mm) Compression tweeter
Frequency Response	60Hz-20KHz ±3dB
Power	550W
Impedance	8Ω
Sensitivity (1W/1m)	98dB
Maximum Sound Pressure Level (SPL)	130dB
Dispersion:	Horizontal 80° Vertical 50°
Connector:	1 x NEUTRIK NL4
Dimensions (WxDxH)	360mmx345mmx580mm
Weight:	28kg

TECHNICAL PARAMETERS TIGER PARTY-15

Type	Two-way full-range speaker
Drivers	15" (75mm) Bass 1.4" (65mm) Compression tweeter
Frequency Response	55Hz-20KHz ±3dB
Power	650W
Impedance	8Ω
Sensitivity (1W/1m)	99dB
Maximum Sound Pressure Level (SPL)	131dB
Dispersion:	Horizontal 80° Vertical 50°
Connector:	2 x NEUTRIK NL4
Dimensions (WxDxH)	469mmx415mmx690mm
Weight:	36kg

TIGER PARTY

TECHNICAL PARAMETERS

Type	Subwoofer
Drivers	1*18"/(100mm) Bass
Frequency Response	35Hz-250Hz ±3dB
Power	1200W
Impedance	8Ω
Sensitivity (1W/1m)	100dB
Maximum Sound Pressure Level (SPL)	132dB
Connector:	2 x NEUTRIK NL4
Dimensions (WxDxH)	662mmx640mmx530mm
Weight:	49kg

PRODUCT FEATURES:

18-inch subwoofer speaker system

Sturdy and Durable 18mm birch plywood cabinet construction.

Eco friendly black texture coating offers beauty and extraordinary wear resistance.

Extraordinary low-frequency power output well beyond its size.

Includes 2 NEUTRIK 4-pin connectors for convenience and flexibility.

Professional stand mounting cup offers convenience for portable and installation applications.

APPLICATIONS

- KTV/
- Nightclub/
- Bar/
- Cinema/
- Auditorium/
- Church/
- Restaurant/
- Commercial /
- Corporate AV

TIGER PARTY-18B

TIGER PARTY

TECHNICAL PARAMETERS

Type	Double 18" Vented Subwoofer System
Drivers	2* 18"/(100mm) Bass
Frequency Response	30Hz-250Hz \pm 3dB
Power	2400W
Impedance	4 Ω
Sensitivity (1W/1m)	102dB
Maximum Sound Pressure Level (SPL)	134dB
Connector:	2 x NEUTRIK NL4
Dimensions (WxDxH)	1090mmx780mmx530mm
Weight:	89kg

PRODUCT FEATURES:

Dual 18-inch subwoofer speaker system
Sturdy and Durable 18mm birch plywood cabinet construction.
Eco friendly black texture coating offers beauty and extraordinary wear resistance.
Extraordinary low-frequency power output well beyond its size.
Includes 2 NEUTRIK 4-pin connectors for convenience and flexibility.
Professional stand mounting cup offers convenience for portable and installation applications.

APPLICATIONS

- KTV/
- Nightclub/
- Bar/
- Cinema/
- Auditorium/
- Church/
- Restaurant/
- Commercial /
- Corporate AV
